

The Queen logo features the word "Queen" in a bold, black, sans-serif font, with a registered trademark symbol (®) to its upper right. The background of the entire page is a soft-focus photograph of a Tiara Euphorbia plant with numerous pink, five-petaled flowers and green leaves, housed in a white ceramic vase with a textured, bubble-like pattern. In the top left corner, a portion of a wooden frame with a light-colored, woven rope detail is visible.

Queen[®]

Tiara Euphorbia[™]

Care Guide

Soil

Sandy loam soil.

Watering

Water when the soil feels dry about 1-2 inches below the topsoil.

Queen[®] Tiara Euphorbia[™] should be watered more frequently during the summer than in the winter.

Can tolerate underwatering.

It is essential to avoid overwatering. Overwatering will cause root rot. It is better to let the plant dry out between watering.

Light Requirements

Full, direct sunlight.
